He is tormented by her every demand. After he sees some funny faces in a picture post card, he returns to his village. But, his wife's demands stop him from going back. And, the terrible wife gets a chance to come and check him out for a couple of days. One day, the dentist gets a lucky break, in the form of a women's magazine. He reads a comic strip where he is depicted in a funny way as a big-headed dentist with a long, red nose. He reads this comic strip until he gets the idea to become a big-headed dentist with a long, red nose. Somewhere, in a dream sequence, we see him becoming the big-headed dentist with the long red nose. On the second day, he makes sure to come home late and do all his chores. Then, after he is sure that his wife will not be at home, he comes to the bedroom and opens the door. The wife's head is bigger than that of the dentist. A big red nose is stuck on top of the head. "WHAT? You said your wife's head is bigger than my head!" The poor dentist, because of his English, did not get the point of the joke. So, he was completely stumped. "What is the joke?" "That's the joke. Your wife's head is bigger than your head." "But, how can it be? My wife's head is almost as big as yours." "Yes, but her head is bigger than yours." "Oh, I see." "But if your wife had a small head, would that be funny?" "That's what I don't understand." "Your wife has a small head, but her head is bigger than your head." "My wife's head is bigger than my head." "Your wife's head is bigger than your head." "What? How can that be?" "That's the joke. The woman's head is bigger than the man's head." "HUH?" "Let me tell you one more time." "It's the same." "No, it's not the same. Let me show you." "No, no, I'm tired. Go to hell." "The woman's head is bigger than 82157476af
